Company Profile

Frazier Brothers Painting is a newly established, veteran-owned, and family-operated painting contractor. Although our business was founded in 2023, our team brings over 20 years of collective experience from working with some of the leading names in the industry. As third-generation painters, we have honed our skills through years of dedication and craftsmanship, working on numerous high-profile commercial and residential projects across the state. Now, we are branching out on our own, bringing the same level of excellence, reliability, and customer satisfaction to Frazier Brothers Painting.

Past Performance

Commercial Projects: While Frazier Brothers Painting is a new business, our team members have individually contributed to successfully completing various notable projects during their time with other leading companies. These include work on facilities such as:

- Henry Ford Hospital
- Oakwood Hospital
- American Axle Manufacturing
- University of Michigan Stadium
- Marriott Hotels
- DTE
- Ford Motor Company
- General Motors
- Beaumont Hospital

Residential Projects: Delivered high-quality repair and painting services for various residential clients across the state.

Mission & Vision Statement
